Communication Response Time:

Respond to Discord notifications within 24 hours, except for weekends

Regular Meetings

The team is going to conduct an all-hands meeting every Monday at 9 pm EST.

Meeting Preparations

All members are required to prepare the deliverables agreed upon in the previous meeting. Consistently failing to do so will result in a contingency plan.

Division of Work

Division of work will be discussed regularly in the team all-hands meetings.

Work Submission

Work submission will be as required by the course instructions.

Each member is accountable to complete their individual deliverables.

Each member will be required to submit their individual deliverables the day before the sprint deadline.

Contingency Plan

- In the case that a team member drops out, misses meetings regularly, and fails to complete work responsibilities for an extended period of time, unfinished work will be divided as fairly as possible to available team members to ensure project completion and the situation will be reported to a TA.

- In the case of academic integrity violation, the situation will be reported to the course instructor and/or a TA to be handled accordingly.
